# Festive Ambiance

To enhance the Hari Raya Celebration, the lobby of the main office has been decorated by the committee. This initiative is to create a festive atmosphere.

# Dining Arrangements

We provided lunch for both day and night shift workers, featuring a packed meal that included the delicious Nasi Bukhari from Pak Akob Restaurant and a refreshing Heaven and Earth drink. Additionally, we distributed Goodie Bags filled with assorted flavored chips and Bahulu Mak Jah.

# Games & Creativity

The online games were successfully held in two sessions - one for the morning shift and another for the night shift. A highlight was the “Guess the Rice” game, where participants had to correctly identify details about the rice inside the 'Ketupat'. We also distributed Raya-themed creativity cards.
